

**Amendments to the Abstract:**

The Abstract for the application appears on the front page of the PCT application. Applicant has rewritten the Abstract on to a separate page as is required for US practice. Further, Applicant has made amendments to the Abstract. A marked-up version of the Abstract is provided below, and a clean version is provided on page ?? of this Amendment.

Please amend the Abstract as follows:

An interactive/electronic guide (10) for allowing navigation around a group of electronic documents, such as on internet or in an intranet site or such like, the guide being operable automatically to present a plurality of topic identifiers (14) together with an indication (16) of the importance of the topics identified within a site. Each topic (14,16) is user selectable. Selection of a given topic (14,16) provides access to information on that topic. Preferably, the guide (10) also provides information about multiple sites that are potentially related by content as well as an indication of a degree of similarity in content between such multiple sites.

#### ABSTRACT OF THE DISCLOSURE

An interactive/electronic guide for allowing navigation around a group of electronic documents, such as on internet or in an intranet site or such like, the guide being operable automatically to present a plurality of topic identifiers together with an indication of the importance of the topics identified within a site. Each topic is user selectable. Selection of a given topic provides access to information on that topic. Preferably, the guide also provides information about multiple sites that are potentially related by content as well as an indication of a degree of similarity in content between such multiple sites.
